THE 13th ANNUAL SOUTHEASTERN ECOLOGY AND EVOLUTION CONFERENCE WILL BE HELD AT **FLORIDA STATE UNIVERSITY** IN TALLAHASSEE, FL **MARCH 11-13, 2016**.

SEEC is a regional, student-run meeting that provides undergraduates, graduate students, and post-docs an opportunity to present research in ecology and evolution. SEEC is open to anyone with an interest in ecology and evolution research in the southeastern region of the United States. Presenting a poster or talk is not required to attend the conference. SEEC has provided a low-pressure, interactive environment for early-career scientists to develop communication and networking skills since 2004.
