

Call For Proposals - Sabbatical Scholars And Collaborative Working Groups - Deadlines Vary

Contributed by admin on May 29, 2015 - 06:06 PM

Proposals for Sabbaticals and for collaborative working groups (Working Groups and Catalysis Meetings) are now being accepted at The National Evolutionary Synthesis Center (NESCent). We are looking to support innovative approaches to outstanding problems in evolutionary biology.

Proposals for Sabbaticals and for collaborative working groups (Working Groups and Catalysis Meetings) are now being accepted at The National Evolutionary Synthesis Center (NESCent). We are looking to support innovative approaches to outstanding problems in evolutionary biology.

In particular, proposals that have a clear interdisciplinary focus, or involve evolutionary concepts in non-traditional disciplines, are strongly encouraged, as are proposals that demonstrate international participation and a mix of senior and emerging researchers, including graduate students. Proposals for Working Groups and Catalysis Meetings are accepted twice a year, with deadlines on July 10 and December 1. Proposals for Sabbaticals may be one semester to a full year (deadlines June 10 and December 1) or they may be for short-term visits (2 weeks to 3 months; deadlines on January 1, April 1, July 1 and September 1). NESCent is also now seeking to include graduate traineeship to our portfolio by offering one-semester fellowships for graduate students to pursue research either with a NESCent sabbatical scholar or with a NESCent Working Group. For more information, please see our website at <https://www.nescent.org/science/proposals.php>.
